Hello Everybody,

Our first SACCA HOEDOWN was last Saturday the 7th. We had two Squares 5-callers- There were Chuck Bjore, Tom Evans, Les Bol, Cel Potter and myself. Don Haney our friend from Wyoming was also there but did not call. Our next Dance is Saturday, Feb 4- 3:30-- Please Announce these dances and support them if you can.

Festival is a week away. Hope you all have your schedule- Remember be at least 15 minutes early for your time slot or you will be replaced. Let somebody, the M.C. know you are there. The schedule is set, we cannot make any changes, the deadline for signing up was December 1, 2005- We cannot ad Caller's who are not scheduled to the program, however we may possibly put additional callers in if some of you are willing to share a tip but please clear this with me first.

The schedule is posted on the website (SARDASA.com) in the newsletter and there are hard copies around town. Please stick to the list and your time slot. Beginner Level is through DIVE THROUGH ONLY — Stick to Mainstream Calls in the Mainstream. ABSOLUTELY NO TEACHING OR WORKSHOPPING! If you are using lap tops, disks etc, be prepared to set up quickly, we are on a tight schedule. Bring your own microphone head and music. Use common sense let's let our New and Mainstream Dancer's have a positive experience. See you soon.

CALLER WORKSHOP — PLEASE
RESPOND TO THIS

Frank Lane who is a legendary caller is willing to do some Calling training. Frank has many years of experience and has taught numerous Caller's School....If there is interest we could likely schedule him at our Feb 11th meeting and then again in March.

Our Next meeting is 9:30 on February 11th in the Meeting Room of OPSDA HALL (By the way the Hall is officially OPSDA HALL, not SARDASA HALL).

RESPOND IF INTERESTED Tentative
Dates would be FEB 11 — March 4
